

Message in a bottle,

Police

Just a castaway
An island lost at sea
Another lonely day
No one here but me Oh
More loneliness
Than any man could bear
Rescue me before I fall into
despair Oh

A year has passed since I
wrote my note
But I should have known this
right from the start
Only hope can keep me
together
Love can mend your life
But love can break your heart

Refrain

Refrain :

I'll send an SOS to the world
(2X)
I hope that someone gets my
(3X)
Message in a bottle yeah (2X)

Walked out this morning
I don't believe what I saw
A hundred billion bottles
Washed up on the shore
Seems like I'm not alone in
being alone
Hundred billion castaways
Looking for a home
